# How to take your daily life "on high"

*Do you know the power of this amazing food?  
—the secret of its action?*

**Clearer skin • Easier digestion • Regular elimination**

THESE remarkable reports are typical of thousands of similar letters to **FRUITHELMER'S TEAL**. There is nothing mysterious about its action. It is a food, a "natural," and a medicine in any sense. But when the body is choked with the poisons of constipation—or when its wastes lie low on the skin, pimples and general blemish are offered—the simple, natural food achieves literally amazing results.

Concentrated in every cube of **FRUITHELMER'S TEAL** are millions of new, young plants, alive and active. As soon they go to work—purifying the whole system, clearing the skin, aiding digestion, strengthening the internal

muscles and making them healthy and active.

*Describe me in a glass of water  
(You had enough to drink)*

—before breakfast and at bedtime: **FRUITHELMER'S TEAL**, when taken this way, is especially efficacious in overcoming or preventing constipation. Or was it? It is a day—spiced or leaved or sweet—chastised in four pains or with—no rest or place.

Write for further information, or let us send you a free copy of our latest booklet, *As You See It*. Address: **Health Research Dept., Ltd., The FruitheLMER Company, Ltd., London, E.C.4, Toronto, Ontario.**

*"Energy to indigestion and constipation. I was not in a state with a complete loss of food and much discomfort in general. I was advised to use FruitheLMER's TEAL. It effected my appetite and digestion and brought me back to normal. I am now in a state of health and vigor and am able to do all my work."*

*(From Mrs. M. F. C. 30-17 of St. John, N.B.)*

*"I am only 26 years old, my health, my good looks, and all are now restored. I feel like a new woman. I am now in a state of health and vigor and am able to do all my work."*

*(From Mrs. M. F. C. 30-17 of St. John, N.B.)*

*"When I was constipated, I was always gloomy, nervous, and unhappy. I was not in a state with a complete loss of food and much discomfort in general. I was advised to use FruitheLMER's TEAL. It effected my appetite and digestion and brought me back to normal. I am now in a state of health and vigor and am able to do all my work."*

*(From Mrs. M. F. C. 30-17 of St. John, N.B.)*

*"The night before last I was in a state of health and vigor and am able to do all my work. I am now in a state of health and vigor and am able to do all my work."*

*(From Mrs. M. F. C. 30-17 of St. John, N.B.)*

*What causes men  
to "crack"?  
Why do some  
men's nerves  
break?—and then  
they have to  
fight their way  
back, like  
Billy Stone.*

The shaded ground about the old woman's head looked like a vast, general chaos. Still a distant sound of little mechanical wheels was heard from the distance. The woman's head was turned away from the sound. She was looking at the ground. She was looking at the ground. She was looking at the ground.

She was looking at the ground. She was looking at the ground. She was looking at the ground. She was looking at the ground. She was looking at the ground.

## KITTY GORDON—

The Honorable Mrs. Henry Beresford—  
gives the finishing touch with the  
assistance of the Household Guide

### IS THE "HOUSEHOLD GUIDE" IN YOUR HOME?

Every day we add to the list of notables who make painting a hobby. Our latest: lovely Kitty Gordon—in private life, the Honorable Mrs. Henry Beresford.

Every day we add to the list of notables who make painting a hobby. Our latest: lovely Kitty Gordon—in private life, the Honorable Mrs. Henry Beresford.

Mrs. Gordon's charming apartment has recently been in the hands of decorators. But with her love for color and design, she couldn't resist doing some of the painting herself!

The custom found Miss Gordon painting away in the midst of her luxurious living room (for there are no attic—not spare rooms—in an apartment!). She was just giving the finishing touch to an old mirror—transforming it into a ventral object d'art in blue and green enamel.

## What Article Needs Painting In Your House?

You may not possess a mirror such as Miss Gordon's, but you surely have a table, chest, bookcase, or perhaps a picture frame that's just waiting for a transformation as remarkable as the one pictured on the opposite page. The Household Guide will tell you how to accomplish it.

is a Food for the  
Seven Ages  
of Man

From early infancy to old age, Virol is building up food for the seven ages of man. It contains the most potent vitamins, minerals, and proteins in a form that the body can absorb.

Because Virol contains just these food elements essential to health, it is a form that the most delicate can assimilate.

## Give your tooth brush an even chance

Your Prophy-lactic Tooth Brush does the best work where you give it a chance to try out thoroughly between brushings. The new family pointed bristles clean gums best when they are dry.

Old Dutch Keeps  
Aluminum

# Sparkling

with Sanitary  
Cleanliness

*You have great pride* in your aluminum ware when it is clean, bright and sparkling. Nothing can so easily and safely keep it so as Old Dutch Cleanser. Simply clean it regularly with Old Dutch each time the aluminum is used and it will always be sweet, sanitary and sparkling. Avoid gritty cleaners which scratch the surface; scratches accumulate dirt and impurities and make the cleaning difficult.

*Old Dutch* is so thoroughly safe and efficient because its fine, feathery particles are flat-shaped and erase dirt and discolorations without injury.

*Old Dutch goes further*, is more economical and doesn't hurt the hands.

*There is nothing else* like it for Speed, Safety, Economy and Perfect Cleanliness.

The manufacturers of "Wear-Ever," "Mirra," "Viko," "Lifetime" and "Wagner" aluminum ware recommend Old Dutch Cleanser for cleaning their utensils.
